

## VIRQUAL WEBINAR 01

### *VIRTUAL MOBILITY IMPLEMENTATION*

#### Programme

Moderators: António Teixeira and Branca Miranda (UAb)

Invited Expert: George Ubachs (EADTU)

Time (CET)	Activity	Description
11h00-11h05	Opening by the Moderators (António Teixeira)	Welcome to participants and introduction of the topic and the invited expert
11h05-11h20	Presentation by the Invited Expert (George Ubachs)	The invited expert is expected to address the topic of implementing virtual mobility, stressing the aspects of European legislation and institutional regulation (ECTS), plus practical issues (as language, assessment, student workload measurement, learning outcomes and credit validation)
11h20-11h45	Discussion	Participants are invited to submit questions to the invited expert. The moderator will allow 15 minutes for that. Afterwards, participants are invited to discuss the specific issues of student workload measurement, and credit validation
11h45-11h55	Conclusions by Moderator 1 (António Teixeira)	Summary of the discussion and main conclusions or recommendations
11h55-12h00	Closure and announcements of Virqual Activities by Moderator 2 (Branca Miranda)	Farewell to participants and invitation to participate in the Virqual Course and other forthcoming activities
