

VIRQUAL

Virtual Mobility and European Qualification Framework

VIRQUAL Webinar 03 – October 20th 2011

11,00h to 12,00h CET

EQF AND RECOGNITION OF PRIOR LEARNING

Programme

Organization: Ana Dias (TecMinho, PT) and Barbara Class (University of Geneva, CH)

Moderator: Ana Dias (TecMinho@ University of Minho, PT)

Invited Expert: Michel Feutrie

Time (CET)	Activity	Description
10:30-11:00	Reception of participants and informal warm-up (Ana Dias)	Welcome to participants and introduction to the room facilities. Informal presentation of moderator and speaker. This is not to be recorded.
11:00-11:05	Opening by the Moderator (Ana Dias)	Welcome to participants and introduction of the topic and the invited expert
11:05-11:25	Presentation by the Invited Expert (Michel Feutrie)	The invited expert is expected to address topics related to the National Qualifications Frameworks referenced to the EQF, Recognition and validation of prior or experiential learning. Appear, in the European policy, as two key instruments to make possible positive personal and professional pathways. Where are we now? What is the specific role of HE and CE?
11:25-11:50	Discussion	Participants are invited to submit questions to the invited expert via the chat board. Afterwards, participants and expert are invited to discuss the specific issues of EQF implementation and its role in e-learning and VM.
11:50-12:00	Conclusions by Moderator	Summary of the discussion and main conclusions or recommendations. Farewell to participants and invitation to participate in VIRQUAL project.
